RE:REFERENCE FOR MR GARENOSI MOTLALEPUO

I confirm that I have known Mr Garenosi Motlalepuo for three months when he was on attachment at Okavango Research Institute(IT unit). Mr Motlalepuo was mainly responsible for IT support i.e. troubleshooting , maintaining and repairing computers.

Mr Motlalepuo performed all these tasks competently with commitment and enthusiasm with minimal or no supervision. He is a confident and hardworking person who is committed to success. He is a great team player, someone you can count on to get the job done . His strong interpersonal and communication skills allowed him to develop good working relationship with his colleagues both students and staff.

Based on my assessment of his work ethic and character, and demonstrated experience, I have no doubt he will competently execute his duties as he has done in the past and I therefore recommend him highly for the post. Please free to contact me for any further information regarding Mr Motlalepuo.

Yours sincerely
