14. They take full responsibility for the use of the laptop and therefore is not expected to loan it to anyone. Full responsibility means the person is to be held accountable – we are treating this as if people are not responsible

15. They shall not temper with, upgrade, repair the laptop or in anyway attempt to change the hardware configuration of the laptop.

16. They shall not install or cause to be installed any software that is not covered by the University's Licensing Agreements.

17. The University's liability for repairs of the laptop shall be limited to normal wear and tear. Where the malfunction is due to negligence on the part of the user, they shall bear the full cost of repairing the laptop. Such cases include but not limited to, damage due to dropping, broken screen, or laptop casing, spilling of liquids on to the laptop, etc.

OVER AND OVER IT IS ASSUMED THAT PEOPLE ARE IRRESPONSIBLE. THIS IS OFFENSIVE TO STAFF.
